

**An invitation to all rowing clubs
to register to receive
an application form for**

Celtic Challenge 2010

Saturday 1st May, 2010

Registration by 1st January 2010 is required this year as so many of you wanted to take part last time, and some application forms were very late arriving, making it difficult for us to make the appropriate arrangements.

Entry fee £240.00 per boat

There is a firm limit of 25 teams for 2010 and the first 25 teams to register will receive application forms.

All registrations will be listed according to when they are received. If any of the 25 teams drops out early enough, the next team on the list will be invited to apply. In order to allow as many clubs as possible to enter - if too many teams wish to take part, a limit on the number of entries from any one club may be imposed.

What we require is a contact name, address, telephone no., e-mail (if possible), the name of your rowing club and number of teams you are intending to enter.

You may register by post or e-mail, but if you don't register you will not be able to take part. Just let us know that you wish to be registered, it's as simple as that.

Address for registration: Celtic Challenge, 20, Rhoshendre, Waunfawr, Aberystwyth, Ceredigion, Wales, SY23 3PT.

e-mail address that may also be used to register:

celtic-challenge10@tiscali.co.uk

We look forward to hearing from you soon

Please don't miss your chance to take part – register now
